Preventing accidental injury.

Paul Condino, Chair  
House Judiciary Committee

Lansing, MI 48909-7514

Dear Representative Condino and Committee Members:

On behalf of Safe Kids Michigan, whose mission is to prevent accidental injuries to children age 14 and under, I would like to express my support for House Bills 4872 and 4873.

Many children die or suffer injuries each year in the U.S. as a result being left unattended in motor vehicles. This legislation will send a much needed message to parents, that it is against the law to leave your child unattended and at risk in your vehicle.

I urge you to pass these bills out of your committee today, to take the next step to protect Michigan children from this unnecessary danger.

Sincerely,

Jeff Spitzley, Coordinator
